

Southwest Georgia Theological Seminary

Homework Format

Read each chapter thoroughly.

Answer the questions:

- Follow specific instructions given in the syllabus and/or scope and sequence for each class. These may differ for each instructor.
- Preferably type your homework. (Handwritten is acceptable IF neat.)
- Use a cover page. Include the name of the school, instructor's name, course title, chapter number and title, and date submitted. Be sure to include YOUR name. (Example given here.) 
- Each question must be numbered, with question written out, followed by the answer.
- Homework is due each week.
