King James Version Bible
Old Testament Survey Text Book

Description:

The Old Testament collection of 39 books was written between 1450 BC and 400 BC. These books tell the story of God's special relationship with one human family: the family of Abraham, Isaac, and Jacob, which became the Jewish nation.

By reading the Old Testament, we see God revealed to all mankind; every detail is outlined in this Book.

Goals:

Learn the Books of the Old Testament, Genesis through Esther.

Learn the human authors of these books.

Gain insights of what God is like and how He set in motion a plan to save from the terrible consequences of sin all who would believe in Him.

Requirements:

Answer the questions as listed in the Course Schedule.

Resources:

SGTS library books are available for use during school hours, or for check-out. Various sources on the Internet may be acceptable.
